Bees

Welcome to the
Kids' Poetry Club
PodPack on
Bees!

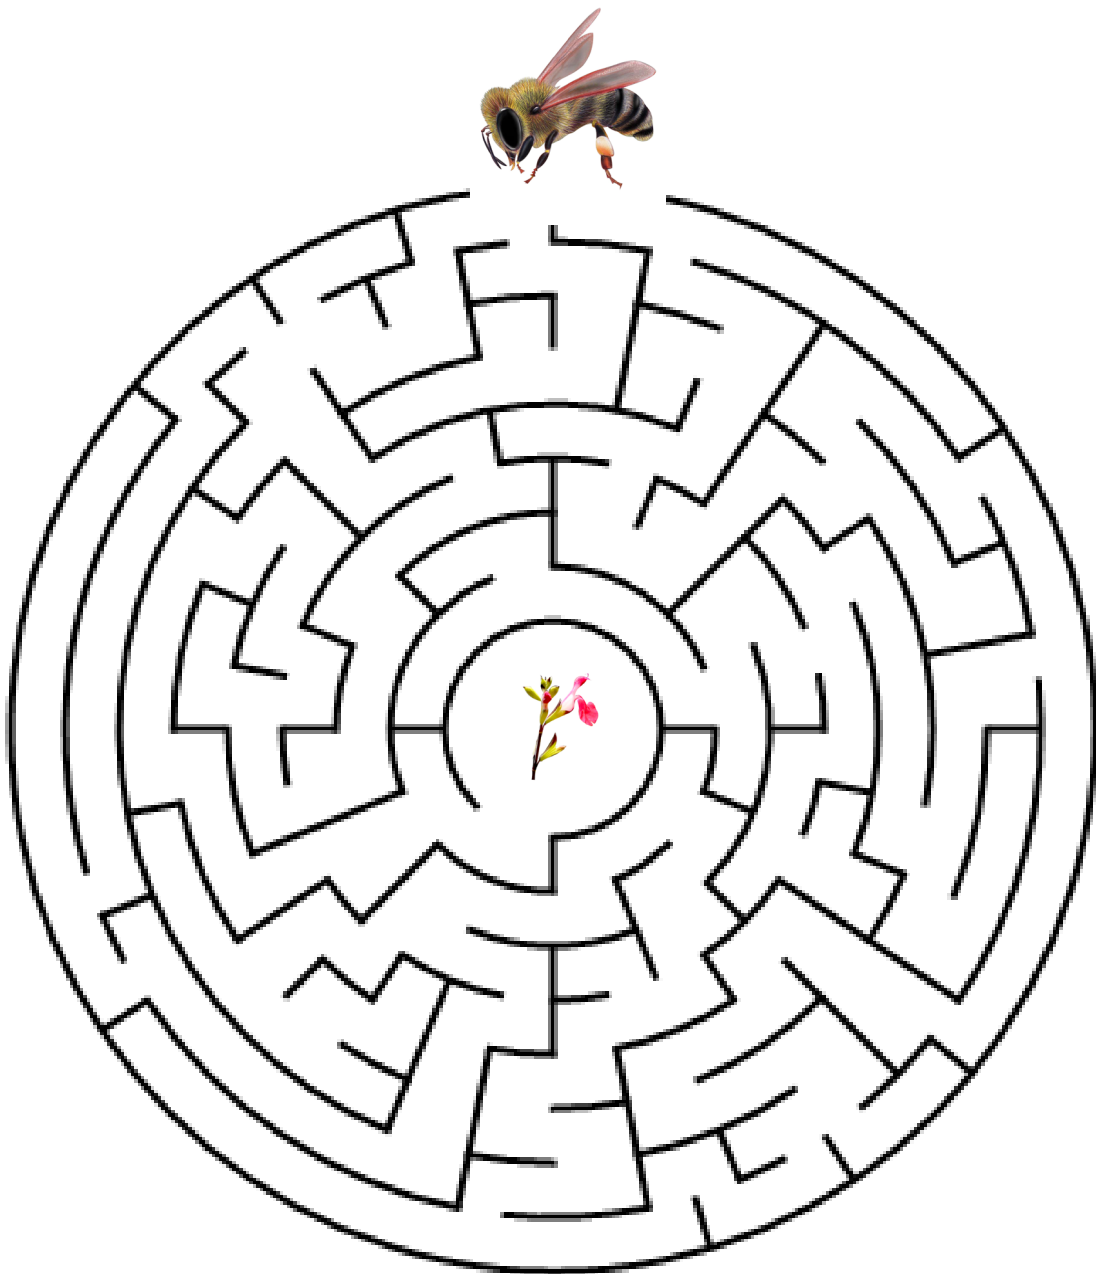

Every episode of *Kids' Poetry Club* comes with a free PodPack of activities based on that week's poems. Just download it from kidspoetryclub.com, print it out, and join in the fun!

Check out the final page for information on how to submit your own poems and drawings to *Kids' Poetry Club*!

Activity 1: Help A Bee

As you heard in the episode, a bee will visit between 50 and 100 flowers on each trip. However, this bee is facing a tough time finding a flower. Can you help the bee through the maze to reach the flower? If you and the bee get stuck, you can find the solution at the bottom of page 7.

Activity 2: Drawing

In the episode, you heard a poem about some of the animals that we should be thankful for. In the space below, draw a picture of the animals that you are thankful for, and think about why these animals mean so much to you. (Make sure you include a bee somewhere!)

Activity 3: A Poem To Read

“Bee’s Knees”

You say I’m the bee’s knees.
Oh, please!
How can it possibly be
that the best part of a bee
is the knee?
That makes no sense at all to me
when they fly so fast
and fly so far
to visit two million flowers for one single jar
of their wonderfully yummy, runny honey,
all of which makes it so funny
that it’s the knee that you think of
when you think of me.
Surely I’m as good as a head-to-toe bee!

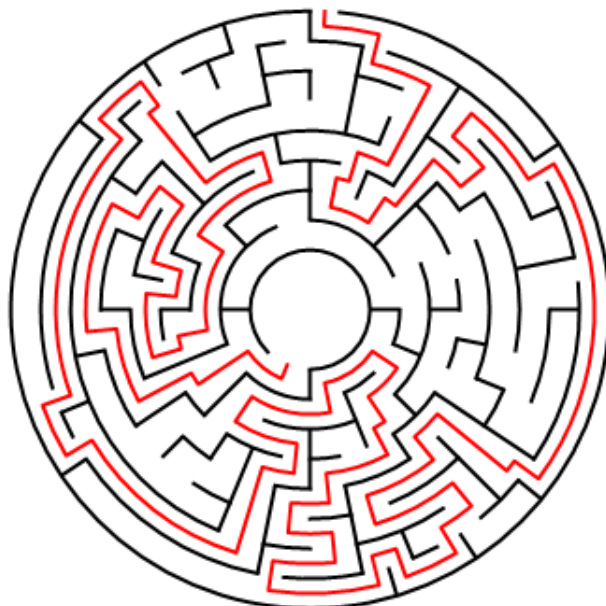

Activity 4: Riddle

In this week's episode, Rhyming Rita, the Poetry Teacher, read out a riddle poem. Can you work out what the poem is about? You can check your answer by listening to the next episode of the Kids' Poetry Club podcast.

Poem by Jonathan Swift

We are little airy creatures,
All of different voice and features;
One of us in glass is set,
One of us you'll find in jet.
T'other you may see in tin,
And the fourth a box within.
If the fifth you should pursue,
It can never fly from you.

Solution to Activity 1
